REWARI

A vibrant, circular graphic with a wooden texture. At the top center is a glowing yellow lightbulb with radiating lines. To the left is a blue atomic model with a central nucleus and orbiting electrons. To the right is a molecular structure with yellow and blue spheres. Below the lightbulb are two white plumeria flowers and a red and yellow striped beach umbrella. The text "Holiday Homework" is written in a large, bold, red font with a white outline. Below the text are a red and white striped beach ball, a pair of yellow sunglasses reflecting a tropical scene, and a colorful flip-flop. The background is white with faint, light-colored icons of a microscope, a book, a magnifying glass, a calculator, and a graph. The entire graphic is surrounded by various tropical and scientific elements like palm leaves, a beach ball, and molecular models.

Holiday Homework
