REWARI

A vibrant, circular graphic with a wooden texture. At the top center is a glowing yellow lightbulb with radiating lines. To the left is a blue atomic model with a central nucleus and orbiting electrons. To the right is a molecular structure with yellow and blue spheres. Below the lightbulb are two white plumeria flowers and a red and yellow striped beach umbrella. The central text 'Holiday Homework' is written in a bold, red, cursive font with a white outline. Below the text are a red and white striped beach ball, a pair of yellow sunglasses reflecting a tropical scene, and a colorful flip-flop. The background is white with faint, light-colored icons of school supplies like a pencil, ruler, and calculator, and scientific symbols like a DNA helix and a beaker. The entire graphic is surrounded by various tropical leaves and flowers.
