Summer Holiday

Hurray!!! The Summer Holidays are here... It's time to take a break, sit back & enjoy a few weeks on holiday! To keep the little ones engaged & be in touch with the learnings done in the class, the Summer Holiday Activities are designed with a motto of "Fun & Learn". Homework Worksheets & a bank of fun filled activities is being uploaded on our 'School Portal'.

So, parents, let them put their thinking caps & get their imagination going. Please download the Worksheets & Activities. Let us all help them be more confident & independent...

Happy Holidays!!!

ACTIVITIES

Out of difficulties grow miracles. Tough time don't last.

Dear Students

The beginning of new session might not have been with pomp and show, but the spirit of teaching learning continues in the school. The summer vacations this time would not be ice creams, candies and cool pool, but time can be utilized in honing skills and interests.

It is easy to bloom, then to be a bud, but you are responsible young members of the nation and its our duty to follow rules. Here are some holiday activities designed for creative utilization of time. Give a flight to your imagination and spend time purposely.

Some points to be remember

- ❖ Drink plenty of juice and water to avoid dehydration.
- ❖ Make hand washing and hygiene a part of your routine.
- ❖ Holiday Homework is a part of subject enrichment and will be assessed on the basis of creativity and efforts of the students.
- ❖ It's the perfect time to enhance your speaking skills and vocabulary by conversing in English with your family and siblings.
- ❖ Reading is essential for those who seek to rise above the ordinary. Spend your quality time reading purposeful books.
- ❖ A beautiful handwriting makes a good impression. Practice one page of English and Hindi handwriting daily.
- ❖ Schedule your time for activities so that there is no piling up for the last moment.
- ❖ Holiday homework should be your authentic creative work.

Spread awareness about this waste in your society by designing a colourful poster highlighting these wastes and safe methods.

❖ Roll no 21-30

BE AN ENVIRONMENT SAVVY

Waste could be liquid or solid. Both of them could be hazardous. Liquid and solid waste types can also be grouped into organic, re-usable and recyclable waste. Make a list of some household waste and mention few safe methods to dispose them so that they do not cause any harm to our surroundings. Do the activity in the given tabular form in your scrapbook (one has been given as an e.g.)

How to begin?

Students will gather information based on the heads given in the table:

S.No	Wastes generated at Home	Have I contributed to waste generation ? (Y/N)	Type of waste	How does it affect the Environment	Is it biodegradable ?	Method to dispose them (Recyclable/Reusable)
1.	Ball pen/refills	Y	Solid	Land/Soil pollution	No	

What after?

From the above list, one item is selected which is non-biodegradable. And prepare an attractive poster, underlying the 3R's and its impact on the environment.
