HOLIDAY HOMEWORK (2024-25)

CLASS- NUR

“Genius is one percent inspiration and ninety-nine percent perspiration. As a result, a genius is often a talented person who has simply done all of his/her work on time”.

Dear Parent

Summer vacations are full of fun and frolic. We get up early in the morning, play with our friends, go out for picnics and explore new places. There is a lot more to do to make the vacations more interesting, exciting, meaningful and full of fun.

To keep our little ones indoors in the sweltering heat and to utilise their time with constructive and creative activities, we are sending a few activities that would help the child to get a grasp of the work done in the school. Wishing you and your ward an exciting, enriching and exhilarating vacation.

Here are some activities given to help your child become independent and confident:-

INDEPENDENT ME

Make your child independent by making him/ her do various day-to-day activities like:-

- Buttoning and unbuttoning the shirt.
- Learn to wear shoes and socks.
- Taking bath independently.
- Folding their clothes.
- Arranging toys properly in the cupboard.
- Learn how to zip their school bag and clothes.

IMBIBING SOCIAL SKILLS

'Alone we can do so little; together we can do so much.'

Encourage your child to:-

- Greet with a smile when someone comes to the house.
- Go outdoors and play with his/her friends.
- Share the toys and things with their friends and siblings.
- Use magical words THANK YOU, SORRY, EXCUSE ME and PLEASE.
- Sit at the dining table with the family to eat using proper table manners.

Note: Kindly go through the instructions carefully and do the needful accordingly.
